"We are a happy School"

Greetings to all the parents, teachers & students for the new session (2020-21). Today education has brought sea changes which are inevitable and challenging. Our school, which is set up amidst sylvan surrounding in calm & serene areas, caters to the needs of the society around by uplifting the educational standards of the children.

It aims to impart holistic education with a global atmosphere. The four core values of DESIRE, DETERMINATION, DIRECTION, and DISCIPLINE are instilled in their minds & hearts to bring a harmonious blend to their character & inculcate the national spirit which will prepare them to face the challenges of life with equipoise and confidence. The dedicated and devoted staff adopt innovative, creative & modern techniques to enhance each student's learning curve by providing a congenial & quality teaching methodology. The school provides the latest technology & gives ample opportunities to students in various co-curricular activities for fulfilling their dreams.

The school sensitizes students on issues like cleanliness, save water, planting & growing trees, a plastic free environment and also developing life skills like compassion, empathy etc.

This would not have been possible but for the timely support and co-operation of parents. May the children grow to great heights in this institution in the years come. With best wishes.

"The mind is not a vessel that needs filling, but wood that needs igniting."
